

Please Help... It's **Raining** Newfs!

We are in **URGENT** need of foster homes! If you live in Georgia or the Carolinas, and can provide a loving and safe environment for a needy Newf, we desperately need your help. We have several dogs that need to come into the system and we are out of foster homes.

If you feel you can help, please go to our Foster link, read the FAQ's and complete the on-line foster application.
